This is a post-meeting and post-Art of Soup update for our members.

Members who attended the November 12 meeting approved paying for half the cost of active members' meals at the December holiday dinner. The money comes from the extra fundraisers we held this year. So hopefully everyone will be able to come to our December 14 dinner and installation. Please select your meal choice and write your check out to CHWC for \$17.50, and mail it to Beth Ramirez by December 1 (for Beth's address, please see the text of the e-mail in which this newsletter was sent). The regular cost of the meal is \$35.00 for non-active members.

At our December 14 dinner and meeting we will have a gift exchange for anyone that is interested. This is all voluntary (not mandatory.) If you want to participate, please bring a wrapped gift worth a \$20 value and we will do the number game.

We will be voting at our December 14 dinner and meeting for the benefiting organization of our Spring Luncheon. We have talked about five organizations so far. If you have an organization that you want to suggest, please email Kristi so she can add it to the December 14 agenda.

Alisha sent out an email to us about "Adopt A Family" - Christmas gifts for the families assigned to our Social Worker Liaison. Purchasing the gifts is on a voluntary basis. We do have 32 people to buy for this year. Whatever you can do will be very much appreciated by the families. Alisha has a sign up sheet. Please email her. The wrapped gifts are due to Alisha December 14.
